THE *Organization*

Established in 1990

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last thirty-five years the band and choir has produced sixty-nine concerts. Also during these years we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 180. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. Very few American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☘

OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with

Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semi-circle staging used by musical ensembles globally. The image is one in motion as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We are proud to celebrate our thirty-fifth birthday this year, and are excited about our future. It is our desire that this logo would be recognized as a mark of excellence!

Berna Mire IN LOVING MEMORY

We honor the memory of a wonderful friend of the ECCBC, Berna Mire, who was always willing to help in any way needed. She was part of our Family for many years, and we miss her dearly.

Rest well, our sweet friend.

CHRISTMAS HMMMMM

"Jingle Bells" was originally a Thanksgiving song written in 1857 for a Boston Sunday school Thanksgiving concert. It had nothing to do with Christmas until decades later. ☿ The world's most expensive Christmas ornament sold for \$135,000. An 1880s German glass ornament in perfect condition (Hallmark auction, 2009). It's literally just glass and paint. ☿ Norway gifts a giant Christmas tree to London every year because Britain helped them during WWII. Since 1947, Trafalgar Square's tree is an annual "thank you" from Oslo for British support during the Nazi occupation. ☿ Rudolph wasn't one of the original reindeer. He was invented in 1939 by a Montgomery Ward department store copywriter (Robert L. May) as a giveaway coloring book to drive holiday traffic. Dasher, Dancer, etc. are from the 1823 poem. Rudolph is literally a 20th-century marketing creation who went viral. ☿ Tinsel was originally made of real silver, and later, actual lead. People decorated trees with toxic heavy metal strands until the 1960s. Sparkly... and deadly.

JOKE CORNER ANSWERS: 1. Water, 2. Horn-aments, 3. It kept dropping its needles, 4. Snow, 5. Wrap music, 6. He had no body to go with, 7. A pineapple, 8. Jingle smells, 9. Holly Davidson, 10. Jungle Bells
