FAMOUS MUSICIANS DID YOU KNOW?

- Tchaikovsky would hold his chin with his left hand while conducting with his right hand because he had an irrational fear that his head would fall off.
- Bach and Handel were both blinded by the same ocular surgeon, John Taylor.
- Grieg kept a frog figurine in his pocket at all times, and would rub it before concerts for good luck.
- Chopin was buried with a small urn of authentic Polish soil.
- Beethoven was so meticulous that he would count out 60 coffee beans each time he had a cup.
- Arnold Schoenberg suffered from Triskaidekaphobia a fear of the number 13. He also died on Friday, July 13, 1951.

RANDOM FACTS

Octopus Intelligence: Octopuses have three hearts and can change color to blend into their surroundings, a skill called chromatophores-assisted camouflage.

Shortest War: The Anvglo-Zanzibar War of 1896 lasted 38 minutes, making it the shortest war in history.

Honey Never Spoils: Archeologists have found pots of honey in ancient Egyptian tombs that are over 3,000 years old and still edible due to honey's natural preservatives like low water content and high acidity.

Bananas Are Berries: Botanically, bananas are berries, but strawberries and raspberries are not, as true berries come from a single ovary.

Fastest Bird: The peregrine falcon can dive at speeds up to 240 miles per hour (386 km/h), making it the fastest member of the animal kingdom.

Shark Teeth: Sharks can go through thousands of teeth in their lifetime, with some species growing new ones every few weeks.

Eiffel Tower Growth: The Eiffel Tower in Paris can grow about 6 inches (15 cm) taller in the summer due to thermal expansion of its iron structure.

No Two Snowflakes: While it's often said no two snowflakes are alike, this is because the odds of identical crystal formation under varying atmospheric conditions are astronomically low.

24 HOUR NOTICE NECESSARY FOR CANCELLATION

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last thirty-five years the band and choir has produced sixty-eight concerts. Also during these years we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and worldrenowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 180. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ##

OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronymn, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one in motion as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We are proud to celebrate our thirty-fifth birthday this year, and are excited about our future. It is our desire that this logo would be recognized as a mark of excellence!

IN MEMORY OF DWIGHT MANUEL

It is our honor to dedicate tonight's performance to our friend and dedicated musician, Dwight Manuel.

He began this concert season with us, and his unexpected passing has left a void in our hearts as well as on stage.

Dwight was fully engaged no matter where he was. His passion for life and love of music was contageous. He was especially

proud of his time at LSU as a member of the Golden Band from Tigerland, as well as the LSU Alumni Band for many years.

Dwight also served his nation and was honorably released from duty in the US Air Force with the rank of Lieutenant.

We pay tribute to Dwight's life and contribution tonight by offering a musical selection played by the LSU Band at the end of every home game, just prior to exiting the stadium. It is a beautiful arrangement of the hymn *Let Us Break Bread Together*.

We kindly thank the following for their assistance with tonight's production:
