# THE *Organization*

*Established in 1990*

The Eunice Community Concert Band & Choir, Inc. was organized in February of 1990 with the intent to promote vocal and instrumental music in Eunice and the surrounding area. The organization is open to anyone who enjoys and appreciates vocal and instrumental music. There are no auditions or dues. We depend solely on the contributions of merchants and individuals and provide two concerts each year, July and December. The organization is operated by volunteers and pays no salaries.

In the last thirty-four years the band and choir has produced sixty-six concerts. Also during these years we have provided music for: Eunice July Fourth celebrations, LSUE commencement exercises, city inaugurations, Eunice Centennial Celebration (performing an original work by Dr. Quincy Hilliard, ASCAP, commissioned by the ECCBC for the celebration), LSUE community fun days, Eunice Christmas celebrations, and presented concerts in Crowley, Oakdale, Ville Platte, Lafayette and New Iberia. Several members of the community choir participated in a concert at Carnegie Hall in New York City in 1994. Joining singers from across the country, the group was

directed by Dr. James Haygood and world-renowned choral conductor John Rutter.

The ECCBC has enjoyed much success since 1990. Membership in the organization has grown to over 180. For any given concert there may be as few as forty or as many as eighty of those members performing on stage. For many, the rehearsal season provides a wholesome social activity and an opportunity to meet new friends.

The organization adds to the uniqueness of this city. *Very few* American cities the size of Eunice have a musical organization such as the ECCBC. We are proud of all that we have done and look forward to serving the Eunice area with quality, family programs for many years to come. ☘

# OUR LOGO

In 1992, the ECCBC commissioned the University of Louisiana at Lafayette art department to create a logo for the organization. After a meeting with Dwight

Jodon, Pat Dossman and the department, approximately fifteen art students set about the task of designing an appropriate ensignia.

Several of the proposed designs centered around the organization's acronym, ECCBC. However, the winning design was a simple graphic. It symbolizes the semicircle staging used by musical ensembles globally. The image is one *in motion* as the conductor's baton sweeps across the design. This particular logo was selected because of its simplicity and because the ECCBC is determined to move forward into the future with the mission of sharing the gift of music with the residents of Acadiana.

We are proud to celebrate our thirty-fourth birthday this year, and are excited about our future. It is our desire that this logo would be recognized as *a mark of excellence!*
