

ELLEN  
**CREEL**  
for JUDGE | DIVISION J

Dear Friend and Colleague,

I am both honored and pleased to be working with a woman who has made a difference in our community and is ready to take her service and leadership to the next level as our next 22nd JDC Judge, Div. J.

Ellen Creel has the experience, temperament and respect for the rule of law required to be a fair and impartial judge. She and her husband Brandon raised their three boys here, and that has given her first-hand knowledge and perspective regarding every neighborhood in Washington and St. Tammany Parishes. Ellen knows her community and knows the issues challenging our district.

She's a proud wife, mother, attorney, and woman of deep faith. She's been a practicing attorney for over 23 years with an extensive civil, criminal and family law practice. The breadth of her practice makes her the best candidate for the job for this division.

The Northshore is a beautiful area, the gem of Louisiana, but we must still overcome domestic violence and poverty. Our next Judge must be tough on violent criminals while protecting the rights of all who use her court. Ellen has the discipline and professionalism to balance the interests of all parties.

Today's campaigns are long and require hard work from the candidate and the campaign staff. They are also expensive. Every indication is that Ellen Creel is poised to be elected on November 3rd, but we need your help to bring us to victory!

Please consider signing and returning the enclosed affidavit if you have not done so. Also, please donate to our effort. To make contributing easy, there are several ways you can donate. You may mail your contribution to the address below, donate online at [www.ellencreelforjudge.com](http://www.ellencreelforjudge.com), or call me directly at 504-352-6462 or email me at [jess@jesskarrlaw.com](mailto:jess@jesskarrlaw.com) so that I can suggest how you can best help our candidate and campaign.

Three of our upcoming events are just around the corner: August 19th in Mandeville, August 26th in Slidell and September 3rd in Franklinton. If you can attend any of those to support Ellen, we would appreciate your support. With your help, we will elect a Judge who will make us proud and bring fair, swift justice to her court. Thank you for your consideration.

Jessica Karr,  
*Campaign Chairman*
