Estate Notice

Comes now the one known as "Lavandis-Donald: Judd" and declares:

I declare that I am alive and have not ever died; I was born at the coordinates as follows:  
(41°36'26.3"N 87°39'36.7"W) at Turtle Island under colonial occupation currently  
referred to as Illinois State.

Evidence of my arrival at the above coordinates is witnessed and expressed within the  
Certificate of Live Birth issued by the agents for the STATE OF ILLINOIS. That  
testimonial is derived from the original document(s) of Title from which the information  
contained therein has been certified for my benefit.

I declare that there are two entities in existence with similar names relating to my  
estate; one is indicated by the proper noun spelling Lavandis Donald Judd and the other  
is indicated as a vessel of the UNITED STATES and Juridical Person by the use of all  
capital letters LAVANDIS DONALD JUDD.

I declare that it was not my intent to grant any use of my property or estate to any  
Natural Person (Human People) or Juridical Person to do conversions of my estate.

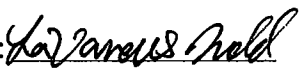

I declare that I am not now, nor have I ever been a Juridical Person.

The unauthorized conversion of my property by the agents of The STATE OF ILLINOIS  
resulted in my property being represented as a Juridical entity and U.S. vessel with dual  
citizenship domiciled within the District of Columbia.

I declare that due to threats, coercion, duress, intimidation and misinformation I have  
made many mistakes, such as accepting to be treated as a Juridical Person, due to my  
ignorance of my substantive rights.

Cease and Desist all use of the Property Pertaining to the estate.
