Volunteers:

I want to thank you for your interest in supporting Operation BBQ Relief. Operation BBQ Relief is mobilizing assets and securing resources to address the impending destruction that currently is in the path of Hurricane Harvey. While the official hurricane Harvey assessments of severity, damage, and casualties/deaths are still in progress, OBR has already initially deployed to serve the community needs. We will need volunteers and donations to fill the need that Harvey will cause. This is a disaster area and your safety is our number one concern therefore please DO NOT self-deploy to this area. OBR is staging resources nearby and is in the process of securing a safe area for operations. Once this location is safe and secured, we will be releasing volunteers.
