Thank you for your interest in the Mother of Divine Providence (MDP) CYO sports program. The MDP CYO board became aware last year and communicated the new guidelines set forth by the Archdiocese for athletes to participate in CYO sports during the 2024-2025 school year. The guidelines are below:

Guidelines that allow CYO participation:

- Your child is registered at an approved affiliated parish like St Teresa of Avila, Sacred Heart, St Augustine, or Our Lady of Mount Carmel Parish and attends the affiliated parish's religious education prep program, and their sacraments are up to date.

Guidelines that DO NOT allow CYO participation:

- Your child does not attend Mother Teresa Regional Catholic School, is a member of the MDP parish, but is not enrolled in MDP's religious education prep program, and their sacraments are not up to date.
