## Thanksgiving

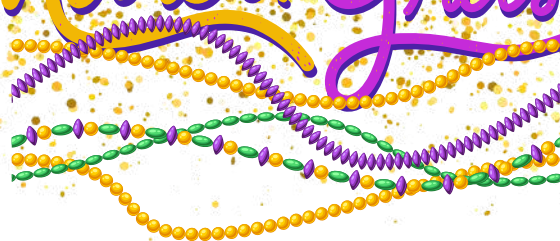

**Next week, you're invited to join us for a heartwarming Thanksgiving gathering as we celebrate the end of another incredible camping season at Oneida! Let's come together to share a delicious Thanksgiving dinner, reminisce about our favorite memories, and say goodbye to friends until next season.**

**We'll be hosting our dinner under the stars, surrounded by the beautiful fall colors, and giving out special Camp Awards to honor the unforgettable moments we've all shared.**

**Bring your appetite, your best camp stories, and your gratitude as we gather one last time before the season ends. Let's make this Thanksgiving one to remember! We can't wait to see you there! The dinner is complimentary for seasonals and 12\$ for visitors.**

# Mardi Gras

The energy of Fat Tuesday came alive in Oneida! Guests immersed themselves in the vibrant atmosphere of Mardi Gras, decked out in fabulous costumes and draped in colorful beads, enjoying non-stop fun all night long. Whether dancing to the lively jazz music by DJ Mauro or indulging in Adrian's delicious Jambalaya, there was something for everyone! Friends gathered under the stars for a night to remember! A big thank you to our party host, Cesar Segara of Cesar's Palace. We also want to express our gratitude to everyone who helped make this a beautiful Mardi Gras Party from the decorations to the fabulous cocktails.....Merci!!!!

## Camp Awards

**This year's ballots for camp awards are available in the office. The deadline is October 11th.**

## Campsite of the Month

Our Campsite of the Month is a cozy, rustic lakeside cabin nestled among towering pine trees at our scenic campground,! The cabin, made of warm, natural wood, has a charming feeling and offers the perfect spot to watch the sun rise over the still waters of the pond.

The surrounding area is beautifully maintained, with well-groomed paths leading to the waterfront, where campers can enjoy kayaking or birdwatching. Hanging baskets filled with colorful flowers and a relaxing porch for evening gatherings add to the inviting atmosphere. Inside, the cabin features a snug interior with rustic yet elegant decor. Congratulations Robert Aagre of Site F3!!!

## **CLOSING TIPS**

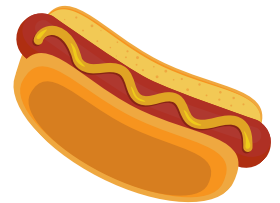

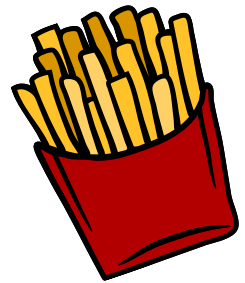

**Seasonals, here are a few tips for closing your campsite for the season.**

- Unplug any outdoor lights**
- Unplug your camper or turn the power off to your cabin**
- Turn off your water spicket and unhook the garden hose from both the camper/cabin and drain the hose, connect the hose together and store it away for winter.**
- If you have an on demand water heater, take it down, home and store it in a warm place for the winter, this prevents freezing and damage.**
- Add fuel stabilizer to your golf cart, run the gas as low as possible.**
- Unhook the battery terminals on your golf cart and camper.**
- Dryer sheets, moth balls or peppermint soaked cotton balls in cups throughout your camper or cabin can help to keep rodents away.**
- Some cover their campers and some don't, that is your choice.**
- Turn your propane tanks off for the winter.**
- Lastly if you have a camper, make sure it is wintered so your pipes don't freeze over winter. Call the office for more info and pricing on who can help with that.**

**Please contact the  
office to schedule  
your winterization  
for \$80**
