# Illumination Weekend

Last  
Week

This past weekend at Camp Oneida was nothing short of magical! As the sun dipped below the horizon, the entire campground transformed into a glowing wonderland, bathed in the warm, golden light of hundreds of lanterns. The atmosphere was breathtaking, and the air buzzed with excitement and anticipation.

The highlight of the evening was the unforgettable Golf Cart Parade. Campers pulled out all the stops, adorning their golf carts with dazzling lights, vibrant streamers, and bursts of creativity that lit up the lantern-lined paths. As the parade made its way through the campground at sunset, music and laughter filled the air, creating a dreamlike scene that captured the spirit of summer.

Whether riding in the parade or cheering from the sidelines, everyone shared in the joy and beauty of the evening. It was a heartfelt celebration of community, imagination, and the unique magic that only Camp Oneida can deliver. 🌙🌟
