Campsite of the Month

The winner of the "Campsite of the Month" at Oneida Campground is centrally located yet private. This site is a charming oasis where sophistication meets comfort. With exquisite design and stylish decor, September's winner has created a warm, inviting and elegant home. Visitors can clearly see that if Martha's Vineyard and Napa Valley had a roll in the hay, this site would be its chic lovechild. When you set such a stylish site against the backdrop of nature, you have pure perfection! It is a place where the air is filled with the sounds of music, clinking wine glasses and the endless laughter of friends! Congratulations to this month's winners: Wilfred McDaniels, Jeffrey Miller and Scott Fisher of Site F6!

Who is Arianna Lancaster?

Q: Exactly, what type of lady is Arianna? (is she sexy, glamorous, catty, funny, sassy)

A: Arianna Lancaster is an intelligent, talented and funny girl, a little mischievous and glamorous, always looking for fun and joy and radiating everyone with her madness.

Q: How was Arianna born?

A: Arianna Lancaster was born a few months before the reign, Natasha De la Vega saw in me talents that I did not know, she supported me a lot and became an icon of elegance. She and her husband gave me his family name and Arianna because I am an Aries which defines me as a woman full of leadership skills and intelligence.

Q: Your reign is not over, but how has it been so far?

A: It has been a unique and unforgettable experience; it changed my way of seeing pageants and being able to be more empathetic and understanding with the drag queen.

Q: How do you think Drag has changed the world?

A: Drag has changed the world because it changes the way we think and pursue life, and when you change, your surroundings change. Drag gives you courage and strength to face obstacles that I thought I would never overcome.

Q: What is in Arianna's future for the year ahead?

A: A well-deserved break. Being a queen is wonderful, but it comes with its commitments and obligations that require doing things perfectly and there comes a time when you need a break. Then it will be a good vacation.

Q: Can you describe the experience starting with the preparation and finalizing with the coronation?

A: This year has been a roller coaster of emotions since I started with no experience and fear, which I gradually removed from my path and opened myself up to wonderful things. Being surprised by myself and what I have been able to do and achieve fills me with pride. I just have to say to all my ONEIDA family that I feel honored and happy to have been your queen for a year. Thank you so much for all the support, love and smiles you showed me during this year, and I will always be here for you if you need me... With all the love in my heart ARIANNA LANCASTER.

LAST WEEK

Country Western Weekend

This past weekend, Oneida came alive with the spirit of the Old West during our unforgettable Country Western Weekend! From the moment guests arrived, the atmosphere was electric with excitement as everyone donned their best cowboy hats, boots, and flannel shirts. The campground was filled with the sounds of lively country music, as folks enjoyed hayrides & hit the dance floor for some spirited line dancing under the open sky. With laughter echoing across the grounds, the weekend was filled with great food, cold drinks, and plenty of camaraderie.

Howdy, y'all!

This here is Sheriff Pockahotass, tip my hat to ya! I reckon it's time to round up some mighty big thank yous for all the fine folks who made our Country Western/Birthday Weekend at Oneida Campground a rootin'-tootin' success.

First off, a big ol' thank you to Christ Congro, Mike, and John Henry for helping me sprucin' up the place with them decorations. Y'all made it look like a scene straight outta the Wild West!

To Rick and Jason, the Moonshiners, and everyone who brought a bottle, y'all sure kept the spirits high and the good times rollin'!

To Bob and Mickey, and everyone who brought a dish for the chili potluck, y'all sure know how to cook up a storm. That chili was hotter than a two-dollar pistol!

A tip of the hat to Todd, Mike, and Farmer Jeff for the sing-along hayride. And to all those who set up pop-up shot stations, y'all kept the fun flowin' and the laughter echoing.

A hearty thank you to all the performers who took part in the variety show. Y'all brought the house down and made it a night to remember.

To the owners and staff of Oneida, especially Francisco and Nidia, y'all had my back every step of the way. Couldn't have done it without ya!

A special shoutout to my Deputy for the weekend, Tom Possinger, for comin' out of retirement and makin' sure everything went smoother than a greased pig at a county fair.

And last but not least, to my deputy in life, Angelic, who put up with my madness for months in preparation for this shindig. Your patience and support mean the world to me.

Thank you to each and every one of you for your participation and kind words of encouragement. Y'all made this week one for the history books. It truly takes a village.

Love y'all, and let's do it again next year!

Yeehaw!
