CHICAGO Dog Weekend

We had an unforgettable Chicago Hot Dog-themed weekend at Oneida, where the Windy City vibes took over the great outdoors! Guests indulged in classic Chicago-style hot dogs with all the fixings, celebrating the city's iconic flavors in every bite. Chicago-themed activities kept everyone entertained, blending urban flair with outdoor fun. It was a perfect fusion of flavor, excitement, and Chicago pride. For those who packed their appetite and love for the Windy City, it was a weekend to remember!

The 1st Great Polytopia Weekend

Polyamorous Party

LOVE HA

Last week at the gay campground, we experienced a fun and fabulous polyamorous weekend filled with love, laughter, and connection! The vibrant energy of the community was palpable as people came together to celebrate their unique relationships and identities in a supportive and inclusive space. . Nights were spent around the campfire, sharing stories and making memories under the stars. It was a beautiful blend of relaxation, fun, and meaningful connection—an unforgettable experience that embraced the spirit of love in all its forms!

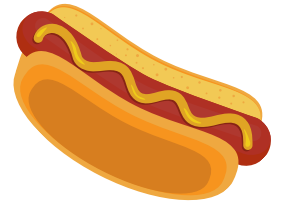

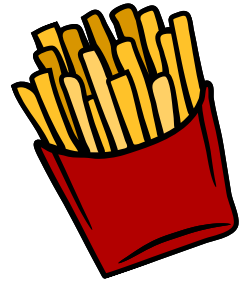

CLOSING TIPS

Seasonals, here are a few tips for closing your campsite for the season.

- **Unplug any outdoor lights**
- **Unplug your camper or turn the power off to your cabin**
- **Turn off your water spicket and unhook the garden hose from both the camper/cabin and drain the hose, connect the hose together and store it away for winter.**
- **If you have an on demand water heater, take it down, home and store it in a warm place for the winter, this prevents freezing and damage.**
- **Add fuel stabilizer to your golf cart, run the gas as low as possible.**
- **Unhook the battery terminals on your golf cart and camper.**
- **Dryer sheets, moth balls or peppermint soaked cotton balls in cups throughout your camper or cabin can help to keep rodents away.**
- **Some cover their campers and some don't, that is your choice.**
- **Turn your propane tanks off for the winter.**
- **Lastly if you have a camper, make sure it is wintered so your pipes don't freeze over winter. Call the office for more info and pricing on who can help with that.**

**Please contact the
office to schedule
your winterization
for \$80**
