Oktoberfest

Bear Party III

Get ready to embrace your inner bear and celebrate the spirit of Oktoberfest with a weekend full of camaraderie, fun, and unforgettable vibes at Oneida Campground & Lodge! This one-of-a-kind event brings together the Bear community and allies for a high-energy weekend filled with beer, food, music, and plenty of opportunities to connect.

Highlights include:

- **Beer Garden Bash:** Sip on craft brews, seasonal ales, and classic Oktoberfest lagers in a festive outdoor beer garden. [to be discussed]
- **Bear Feasts:** Indulge in pretzels and bratwurst to schnitzel and sauerkraut
- **Lederhosen and Leather:** Show off your style at themed costume parties featuring traditional Bavarian attire with a playful bear twist.
- **Dance Nights:** Groove to electrifying DJ sets that keep the party going into the wee hours.

SEXY PAJAMA PARTY

Oneida Campground turned up the heat last weekend with our unforgettable Sexy Pajama Party, and it was nothing short of a wild success. Guests showed up in their most daring sleepwear, filling the night with laughter, music, and a flirty energy that set the tone from the start. The highlight of the evening was the electrifying performance by our surprise stripper, who had the crowd cheering and blushing in equal measure. To top it off, the campground's Red Light District-themed setup gave the night an edgy, playful vibe, with glowing lights and sensual décor that made everyone feel transported into another world. It was a night of freedom, fun, and fantasy that campers are still buzzing about—and already begging us to do again.

CLOSING TIPS

Seasonals, here are a few tips for closing your campsite for the season.

- **Unplug any outdoor lights**
- **Unplug your camper or turn the power off to your cabin**
- **Turn off your water spicket and unhook the garden hose from both the camper/cabin and drain the hose, connect the hose together and store it away for winter.**
- **If you have an on demand water heater, take it down, home and store it in a warm place for the winter, this prevents freezing and damage.**
- **Add fuel stabilizer to your golf cart, run the gas as low as possible.**
- **Unhook the battery terminals on your golf cart and camper.**
- **Dryer sheets, moth balls or peppermint soaked cotton balls in cups throughout your camper or cabin can help to keep rodents away.**
- **Some cover their campers and some don't, that is your choice.**
- **Turn your propane tanks off for the winter.**
- **Lastly if you have a camper, make sure it is wintered so your pipes don't freeze over winter. Call the office for more info and pricing on who can help with that.**
