Yeni Boğaziçi (Ayios Seryios or Aysergi) is a village in the Famagusta district, located only two miles northwest of the Salamis ruins. Agios Sergios means “Saint Sergio” in Greek. It was renamed Yeni Boğaziçi in 1975, the name means “Bosphorus,” and so Yeni Boğaziçi means “new Bosphorus.”

Yeniboğaziçi Municipality prides itself of promoting and safe guarding the well being of its residents and of the local agriculture. The Municipality supports and promotes the ethos of Cittaslow in applying the concepts of slow food and slow living within every day practice and life.

The residents welcome this slow and healthy way of life and in respecting the history and authenticity of traditional Cypriot culture of good food, handicrafts and slow Mediterranean living. With the light of this knowledge, we are building a new way of contemporary life at Mirana Court.

With in a short distance of your new home golden beaches, beautiful nature and healthy way of living welcomes you every day. Mirana Court's life style will take you to a new level of well beaing and understanding of our precious life.
