

Protects victims of Domestic Violence

- Protects victims of DV from having cancelling benefits and unemployment when they have to move to protect themselves from DV
- Immediate removal of guns upon entry to DV order
- Protects DV victims from malicious civil lawsuits and allows sanctions for filing those lawsuits
- Creates procedures for law enforcement to identify DV
- Requires centralized court tracking of protective orders that are dismissed
- Extends the time a DV victim can be protected from an initial protection order if the aggressor is unserved
- Eliminates requirement that DV victim has to show up to court on unserved order so it doesn't get dismissed

School Safety

- Prohibits school districts from using fully driverless buses when transporting students
- Requires cameras to be installed at school bus stops and buses
- Mandatory preschool for 3-4 year old and give a 5% raise for eligible employees
- Requires public schools to post an abstract of child labor laws for grade 6-12
- Provides paid leave time and services for school employees who are assaulted and injured

Tax Relief for Everyday Life
