

**Grant Reporting HEERF II and HEERF III for Quarter Ending March 31, 2022- FINAL
Published Date: April 8, 2022**

The Higher Education Emergency Relief Funds (HEERF II and HEERF III) are authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020 and the American Rescue Plan (ARP) Public Law 117-2, signed into law on March 11, 2021. In total, the CRRSAA authorizes \$81.88 billion, and ARP authorizes \$39.6 billion in support for education in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136.

Yeshiva Shaarei Torah has signed and returned the Certification and Agreement and assures that the institution has used or intends to use the applicable amount of funds designated under the CRRSAA and ARP programs to provide Emergency Financial Aid Grants to Students.

Unlike the CARES Act, the CRRSAA and ARP require that institutions prioritize students with exceptional need, such as students who receive Pell grants, in awarding financial aid grants to students. However, students do not need to be Pell recipients nor do they need to be eligible for Pell grants to be eligible to receive HEERF grants.

Yeshiva Shaarei Torah has been allocated \$68,131 under CRRSAA and \$173,820 under ARP to be used as Emergency Financial Aid Grants to students. Yeshiva Shaarei Torah has disbursed \$172,185 from the Student Portion of ARP and \$5 from the Institution funding as grants to 176 eligible students between January 1, 2022 and March 31, 2022.

The total number of students eligible to receive ARP funding in Yeshiva Shaarei Torah is 176. This includes the number of eligible students who were enrolled for the Fall 2021 semester, as well as students who began their enrollment in the Spring 2022 semester.

The method used by Yeshiva Shaarei Torah to prioritize students with exceptional need was based on the following criteria:

In this quarter, Pell Grant recipients, and students that demonstrated exceptional needs were prioritized and were the first students to receive ARP Grants. The dependent undergraduate students received grants of \$505. The independent students received grants of \$1,000.

After Pell recipients were awarded, ARP Grants were awarded to non-Pell recipient students. Dependent undergraduates received grants of \$505 and independent students received grants of \$1,000.

In this quarter all independent students also received an additional grant making their total grant \$1,765.

Students were instructed that their Emergency Financial Aid Grants are non-taxable and may be used for any component of their cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.
