

Town of Westmoreland Minutes from The Recycling Committee (draft)

Tuesday April 28, 2026

4:00 pm at Town Hall

Attendees: Committee members- Harry Ackerman, Victor Kissell, Barbara Goodine, Nicole Slaughter, and Char Russell with Slipper, the mascot and Bill McGahie BOS

Meeting called to order at 4:00 pm.

We did not have a quorum. Past minutes were not voted on.

- Harry made a motion to accept the minutes from March 31st. Victor seconded.
- Victor has all the paperwork concerning the glass crusher ready for presentation. Harry will contact Jodi about being added to the next Board of Selectmen meeting.
- The donuts and coffee event at the RC was well received. Many people stopped by to say hello. We also recruited 2 new volunteers!
- Barbara and Char voiced some concerns they each have about the operation of the RC. There was much discussion about access to the metal container, the demo container and the flow of traffic. Some of the “sandwich boards” will be used to ask residents to please see the attendant first. This is still a work in progress.
- The Share Shack will be relocated across the parking lot. More space will be added to accommodate the traffic and the parking.
- Bill has 2 bins to start collecting plastic bags for TREX. The plastic is recycled into TREX materials for future use. The school has a collection bin too. We all discussed this program. Char is not in favor of the idea for a variety of reasons.

Harry made a motion to adjourn at 5:20pm, Barbara seconded.

Next meeting: Tuesday, May 19, 2026, 4:00pm at Town Hall.

Respectfully Submitted,
The Recycling Committee
