Town of Westmoreland
Minutes from The Recycling Committee (draft)

Tuesday, November 11, 2025 4:00 pm at Town Hall

Attendees: Committee members- Harry Ackerman, Barbara Goodine, BOS liaison Bill McGahie and newly nominated member Char Russell.

Meeting called to order at 4:05 pm. No quorum this week. Char Russel was approved by the BOS as a new member of the Westmoreland Recycling Committee!

The coffee/ donut social at the recycle center on Saturday was well received. The homemade donuts and cookies made by Evelyn, were enjoyed by both young and old patrons. We did our best to have reusable mugs as well as non-plastic utensils.

We will consider having another get together in the near future to hand out and display information pertinent to our mission. An example being battery recycling. So many items have lithium batteries which pose a fire hazard.

There was a bit of information about the field trip to the Keene Recycling Center. We discussed where the recycled items go after they leave Westmoreland. A chart might be helpful.

Harry gave an update on the bag program. No one has asked for assistance up to this point. So we have tabled the discussion for now.

One or two members may go to the NH Recycles annual meeting on Monday 11/17.

The meeting was adjourned at 5:00pm.

Next meeting: Tuesday, November 25, 2025, 4:00pm at Town Hall. All residents are welcome to attend.

Respectfully Submitted,
The Recycling Committee
