Call to order at 4:05pm

Approval of January 28<sup>th</sup> minutes. Victor made a motion to approve. Hailey seconded it. Approved.

Hailey sent the Q & A sheets to a friend to check over. During our meeting she heard back from him. Everything looked good so she would email the committee members and then print copies to hand out to the public.

Jean drafted a list of ways to recycle and reduce trash. She also gave us a list of things Staples Stores recycle. Barbara suggested adding Experienced Goods thrift store to the list. They are located on Flat Street in Brattleboro.

Jean will look into getting a container from "Apparel Impact" at the Recycling Center. They recycle clothing and accessories in a responsible way.

We talked about ways to get all the PAYT information and handouts to the public. Information sheets could be placed at the Library and Town Hall. Also post information on Facebook. And possibly present something at the Ladies Aid Meeting on March 5th.

Another presentation will be given by Duncan Watson (Keene recycling center) on Tuesday, March 4<sup>th</sup> at 6:00 pm at the Town Hall.

Next meeting: Tuesday, February 11, 2025, 4:00pm at Town Hall  
Hailey made a motion to adjourn at 5:30. Victor seconded it.

Respectfully Submitted,  
The Recycling Committee
