Downstairs function room, Town Hall - 6 p.m.

Members present: John Snowdon, Chris Ballou, JJ Prior

6:05 Call to order

The committee discussed the Requests for Information sent to Argent Communications and Consolidated Communications. No response has been received from Argent to date.

Consolidated Communications has responded with information that is subject to a non-disclosure agreement signed by Russ Austin on May 16.

The committee worked with this data and built a map to help identify areas of need in the town.

The committee will plan for and discuss with the selectmen setting a date for a public hearing to share the results of the townwide broadband internet survey conducted last summer.
