

Westmoreland Master Plan Committee Minutes

October 17<sup>th</sup> 2023

Unapproved

Attendees: Michele Hayward, April Ferguson, Alan Bell, Kristin Riley

We discussed the coming years budget and brainstormed ways to get more community involvement.

Alan mentioned that he was going to see if he could get Cheryl Zajack to speak with the committee in January about surveys and marketing.

Due to a lack of members at the meeting we called it short as we did not have a quorum and therefore could not vote on items we were considering.
