

In accordance with RSA 654:32, the Supervisors of the Checklist will be in session on Tuesday, June 2, 2020, for change of party registration between the hours of 7 p.m. and 7:30 p.m. at the Town Hall meeting room. Additions and corrections to the checklist may be made at this time. This is the last day for voters already registered to change or declare a party affiliation and vote on primary election day. Only undeclared voters may declare a party and vote on primary day. RSA 654:34. Voters who register subsequent to this date may declare a party when they register. RSA 654:15

**Update:** per the Emergency Order # 43 from the Governor's office, "To change political party affiliation, a voter must mail a completed application, signed by the voter and a witness, to the voter's town or city clerk. Alternatively, town or city clerks are authorized to arrange a drop-off location for completed applications. The clerk shall provide supervisors of the checklist all applications **received by 5:00 PM on Tuesday, June 2, 2020.**" Also, "Supervisors of the checklist shall act on all pending applications at the mandatory session for changes of party registration held on June 2, 2020 at 7:00 PM. A properly completed application shall be treated as if it were completed in-person before the clerk or supervisors and the required oath was given."

FYI: the application form referred to above will be available on the town website, or by request from a voter by mail, fax, or e-mail attachment.

COVID-19 accommodation: a person who is unable or unwilling to submit the application for party change or voter registration is required to contact the supervisors in advance to request an accommodation to allow in-person application at the time of the session. Accommodations may include meeting a supervisor in the parking lot of the town hall at a specified time. To arrange accommodation contact Rachel Bartlett at 399-4340 or [rachelbartlett1@myfairpoint.net](mailto:rachelbartlett1@myfairpoint.net).

You are requested to wear a suitable facemask for mitigating risk of COVID-19 transmission.
