UNAPPROVED minutes

Meeting called to order at 7:06

Present: Mark Terry (chairman), Scott Talbot, Terry Cox, Kathy Cox, Alan Bell; absent, Chris Ballou

Old Business

Mark sent a request to Eversource for data information and received it just before the meeting. Mark will review what the data says and ask Eversource for guidance.

New Business

- Mark asked that members review the Joint Powers Agreement, which he sent out, that will help us understand what we need to do as a committee and how we move forward.
- Mark also asked members to review the Cost Sharing Agreement, which he sent out. Once we've reviewed the documents, we can discuss at the next meeting in June.
- As we go forward, we need to establish committee tasks for the next year.
- There are several local energy focused events around the state and the region which several local energy groups sponsor. Mark has attended a couple and said they are very informative and urged committee members who are interested to attend when they can.

There being no other business, the meeting was adjourned at 7:45.

Next meeting is June 13, 2023.

Respectfully submitted, Katherine Cox
