

# NIXON NEWS + NOTES

June 2026

## A Note From the Mayor

Welcome to the first edition of Nixon News & Notes.

As our city website continues to grow and improve, one goal remains simple: making information easier to access and keeping our community better connected. Nixon News & Notes will become a monthly way to share updates, projects, upcoming events, and important information happening around town.

Residents can already find City Council agendas and meeting minutes online, and additional information and resources will continue being added over time. Future updates to the website will include expanded access to information such as budgets, ordinances, permits, and other helpful tools designed to make city information easier to access.

As summer arrives and South Texas temperatures continue climbing, work throughout the city continues right alongside it. From infrastructure improvements to community projects, our focus remains on continuing progress and building a stronger future for Nixon. Below are a few updates happening around town.

### ✓ City Updates

- **Exciting things are happening at Nixon Central Park.** Work continues on preparations for future improvements and the planned Veterans Wall area. Stay tuned for upcoming opportunities to support the project and help leave a lasting legacy for our community.
- **Investing in Nixon's future.** Sewer improvements continue throughout town as the city works to modernize portions of its aging infrastructure. If you notice streets temporarily blocked or closed, these are signs of progress. Projects of this scale require significant time, planning, and investment, but they are essential to building a stronger and more reliable system for years to come.

• **Smoother roads ahead.** Several streets have already been repaired, with additional repairs planned as funding and scheduling allow. Maintaining and improving our streets remains an ongoing priority as we work to enhance safety, accessibility, and the overall appearance of our community.

## **Important Dates & Upcoming Events**

- Flag Day 🇺🇸 — June 14
- City Council Meeting — June 15 at 6:00 PM
- Juneteenth — June 19 (Municipal offices will be closed in observance.)

## **Community Reminders**

- Summer heat is here 🥵—please stay hydrated, check on neighbors when temperatures rise, and take precautions during extreme heat.
- Looking for a way to cool off? Don't forget about the splash 🌊 pad this summer.
- My door is always open. If you would like to schedule time to talk, ask questions, or share concerns, please reach out.

Thank you for continuing to make Nixon a community we are proud to call home.

Sherrie Watt - Mayor
