# TRAVELLING & LEARNING IN SRI LANKA

## OUR DESTINATIONS IN SRI LANKA

Negombo is a major city in Sri Lanka, situated on the west coast and at the mouth of the Negombo Lagoon, in the Western Province, 38 km from Colombo and the nearest major city from the Bandaranaike International Airport (about 9 km distance).

Moratuwa is a large municipality on the southwestern coast of Sri Lanka, near Dehiwala-Mount Lavinia. It is situated on the Galle-Colombo main highway, 18 km south of the centre of Colombo. Moratuwa is surrounded on three sides by water, except in the north of the city, by the Indian Ocean on the west, the Lake Bolgoda on the east and the Moratu river on the south.

### Placements.

In either location placements will be in nurseries, kindergartens and schools. Many schools are voluntary, or state funded, and give a wonderful insight into teaching and education in Sri Lanka.

In Negombo, placements will be with the education department, at St Marys College, and in Moratuwa, placements will be with SERVE SL, an education charity, which runs many nurseries, schools, and education services
