*“...responsible stewardship of wildlife and habitat.”*

June 24, 2023

## **An Open Letter to Our Community and Friends:**

We have been silent as a Board of Directors as we strategize and plan our future. As you can imagine the last few months have been filled with chaos and heartbreak.

We have met new friends and reconnected with old. From those of you who have stepped forward; the tiny to the mighty – from the elementary school class that donated their lunch money, private donors, those that organized rallies, public comments and petitions, legal counsel, real estate guidance, organizing fundraisers, donating concert proceeds and the list goes on ... at the risk of forgetting anyone, we send this to everyone ...

We are humbled and overwhelmed,

You are AMAZING, Thank You!

Sincerely,

Wildlife Rehabilitation Center of Northern Utah Board of Directors, Staff and  
Volunteers

*Through wildlife rehabilitation and education, we will empower the community  
to engage in conservation and responsible stewardship of wildlife and habitat.*
