ABOUT VERIGO LOGISTICS

At Verigo, we provide freight forwarding services throughout Canada and cross border with the USA. We are non-asset based which means we are not pressured to fill our own truck. Instead, we find the most appropriate carrier, mode and shipping method that best suit your needs.

As a client, you'll work with our friendly and experienced transportation experts, whose carrier and distribution experience presents novel solutions that benefit your business. Verigo Logistics provides solutions that consider risk, customer expectation and multiple data points.
