

ENHANCE ENGLISH LEARNING THROUGH DRAMA WORKSHOPS

We provide you with **professional actors** and experienced facilitators to lead your students through an **interactive and fun drama-based session**. Our sessions, which can be done in your classroom, can range from 45 minutes to 4 hours and can cover curriculum topics specific to your school, such as Shakespeare. Our focus is on creating an inclusive and open atmosphere and building confidence in self-expression in English.

Our workshops:

- Improve student **confidence in English**
- Build **confidence in themselves**
- Activate **collaboration skills**
- Stimulate **active listening**
- Improve **mental well-being**
- Enable a **sense of community**

Looking for a performance? We can do that do!

For groups of over 150, we can bring a full play to your school! Our current selection includes *Maya's Necklace*, a 40-minute play about diversity and inclusion, and *The Complete Works of William Shakespeare (Abridged)*, a hilarious 90-minute show that enables everyone to understand English. Our school plays are extremely versatile and easy to put on; all we need to bring is the actors!

Tell us what your learning objectives are for your students!

We'll be happy to create an immersive learning experience specifically for them.
