

ENHANCE *ENGLISH* LEARNING THROUGH DRAMA WORKSHOPS

We provide you with **professional actors** and experienced facilitators to lead your students through an **interactive and fun drama-based session**. Our sessions, which can be done in your classroom, can range from 45 minutes to 4 hours and can cover curriculum topics specific to your school, such as Shakespeare. Our focus is on creating an inclusive and open atmosphere and building confidence in self-expression in English.

Our workshops:

- Improve student **confidence in English**
- Build **confidence in themselves**
- Activate **collaboration skills**
- Stimulate **active listening**
- Improve **mental health**
- Enable a **sense of community**

Previous School partners include:

Sint-Pieterscollege Leuven, TS Mechelen, European School Uccle, and Lycée du Vimeu of Friville-Escarbotin, France

We have also previously received funding for our work with schools from the Brussels-Capital Region and the Association des Parents d'Élèves de l'École Européenne.

**Tell us what your learning objectives are for your students!
We'll be happy to create an immersive learning experience specifically for them.**
