FINSA

Our FINSA collection offers many opportunities for woodworking professionals to carry out any type of project. This offering is a collection of modern structures and designs which give a decorative and extraordinarily natural look.

The panels of our structured FINSA collection are offered in a wide variety of designs. Including a selection of wood grain finishes, linen patterns, stone textures and soft neutral colors.

The panels are made with CARB-2 TSCA VI particleboard.

Panel dimensions:

- Duo 4' x 8' (48.5" x 97")
- Studio 7' x 9' (82.7" x 112")

Certified Antibacterial finishes

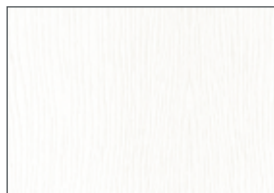

The entire FINSA offering is particularly suitable for applications where hygiene is a concern, such as:

- Kitchens and Bathrooms
- Commercial and Community Facilities
- Furniture
- Closets and Home Organization
- Laboratories

Studio collection - antibacterial
