6th ANNUAL COMMUNITY EASTER EGG HUNT
Hosted by Glastonbury Newcomers' & Neighbors' Club

We are excited for our 4th annual Easter Egg Hunt. To help you prepare for the hunt we wanted to provide you with some information about the three age groups.

BABY CHICKS (under two)

They will be in a small roped off area. Each child will have a special egg with their name on it to find. This group will go first.

HOPPERS (three to five)

Their eggs will be located in an open field. Each child will have a special egg with their name on it to find. This group will go second.

BAD NEWS BUNNIES (six and over)

Six and older will have an egg challenge that includes running and a word scramble. If needed, a stand-in for the running portion is welcome. This group will go third.

- Age Groups: The group will be divided by age (6, 7 and 8+).

- Starting Line: Each child will place their basket on the ground at the starting line.

- Finish Line: At the finish line, 5 groupings of eggs will be placed by color (blue, pink, purple, orange, green). Each group will be highlighted by colored balloons (i.e., two blue balloons will be located in the center of the blue egg group).

- Staggered Time: Each age group will have a staggered start time since children will be running back and forth from the starting line and the finish line (5 times).

- At the Signal: You, the child, will run straight towards one color group of eggs. You will grab TWO eggs of the SAME color and return them back to your basket. You will repeat these same steps until you have all 10 eggs or 2 blue, 2 pink, 2 purple, 2 orange and 2 green eggs.

- Word Scramble: Next you will open the eggs and look for the letters inside for a total of 10 letters. You will unscramble the letters to form TWO five letter words.

- Prizes: Once you have unscrambled the TWO words run back across the field and present your answer to the coordinator. A prize will be awarded to the first person in each age group to unscramble the TWO words.
