Empowering, Strengthening & Changing Communities

FOR IMMEDIATE RELEASE: May 7, 2020

May 7, 2019 Nashville TN. With many families struggling from the effects of the Nashville Tornadoes and the COVID-19 virus pandemic, the Achievement Initiative of Middle TN (AIM-TN) continues its crusade to provide assistance to impacted families.

AIM-TN partners with the restaurant TEN45 Nashville and purchases 2,000 meals subsequently passed out to impacted families, including 400 meals delivered to the Cheatham Place Homes housing projects. Additionally, President Anthony Phillips announced that over the coming summer months the foundation will provide another 4000 meals to families most impacted by COVID-19 and the Tornadoes.

AIM-TN is a 501(c)(3) organization that implements and executes youth and community initiatives to help communities realize sustainable, generational change. For more information or if you want participate in our cause, please access the CONTACT US page here on the website and submit your request.
