*Empowering, Strengthening & Changing Communities*

## **FOR IMMEDIATE RELEASE: July 24, 2019**

NASHVILLE, Tenn. — On July 20, 2019, AIM-TN held its 7<sup>th</sup> Annual Community Health Fair at the Southeast Regional Community Center in Antioch, TN. Thanks to the partnership with The Brentwood Alumni Chapter of Kappa Alpha Psi Fraternity, Inc., and Alpha Delta Omega Chapter of Alpha Kappa Alpha Sorority, Inc., the event was a tremendous success.

This annual event continues to grow and now encompasses over 1000 participants, 50 Health Partners and 20 corporate sponsors. Free medical, dental, blood pressure checks, and other health related screening were provided, along with stuffed backpacks for the kids, free back to school supplies, and health lifestyle information. Guests also enjoyed free food, face painting, bouncy houses, balloon artists and giveaways.

Fox 17 Nashville provided live coverage at the event, with Interim Director of Metro Nashville Public Schools (MNPS) Dr. Adrienne Battle and Nashville Mayor David Briley attending the event.

A special thanks to all the sponsors and community members who partnered with us to support our children and families.
