Election & Campaign News

👉 **General Election: Tuesday, November 3, 2026**

☒ **Please VOTE, make your voice heard!**

✓ **New York Times Poll for Arizona Dist. 1:** Republicans in a panic! Polls show a razor-thin margin between “Trump-endorsed MAGA-MIGA Jay Feely” vs Democrat Amish Shah. “Jay Feely could easily lose this district.” The Feely team accused ‘the Libertarian’ of being a Spoiler, but the real “Spoiler” is the WAR, the economy, and \$5 gas prices! 9/24/26

✓ **Clean Elections Debate**—*Libertarians didn’t qualify, see next page*

✓ **Precinct Committeeman Appointment**—Precinct 79, Dist. 6 Monica Alponse was appointed Precinct Committeeman by Dru Heaton, Chair of the Arizona Libertarian Party. [Pursuant to A.R.S. § 16-821(B), approval of Precinct Committeemen resignations and appointments: APPOINTMENT PRECINCT PARTY, Official Confirmation: [File ID 207521](#) 9/6/26]

✓ **Interview with Washington Post:** “[Libertarians and Greens are accused of being plants...](#)” — Monica confirmed her campaign had no involvement in a recent anti-Republican push-poll, and told WP “Follow the money, think about it...who is it that has the kind of money to spend on an expensive push-poll? Libertarians don’t...It’s not us. We have no budget...we’ve never even done a poll. It would be a smart campaign tactic for the Democrats to do that.” 9/18/26

✓ **Disability Town Hall**, Chandler, AZ hosted by [Raising Voices](#). Tri-partisan opportunity to meet Arizona’s Disability Community. Monica will deliver the Libertarian message of [individual rights](#), self-ownership, personal liberty and self-determination for disabled Arizonans. 10/6/26

✓ **Monica signed Purple Pledge** Tri-partisan cooperation, individual freedom, fiscal responsibility, responsible leadership 9/14/26

✓ **Monica signed Principles for Trusted Elections Pledge** To help break the Uniparty monopoly and make way for America First, pro-peace and freedom candidates: NO KINGS! 9/30/26

Welcome Sonia Acosta to our campaign team!

Monica & Sonia at the Arizona Secretary of State Office in Phoenix, AZ

As a **professional caregiver** here in **Arizona**, Sonia brings firsthand experience and a deep understanding of the everyday challenges facing seniors, veterans, and people with disabilities. Sonia now serves as our campaign **Executive Assistant and Advisor** to our “Seniors, Vets & Disabled Taskforce,” bringing valuable insight to help us better understand the **day-to-day needs and challenges of caretakers and people with disabilities**. That’s important because when these issues come up for vote in Congress, as Libertarians we want to make informed, pragmatic decisions.

Individual rights **must be protected**, including addressing violations such as fraud, abuse, and exploitation. Some of the issues include Medicaid fraud, patient bullying, scams targeting seniors and people with disabilities, and care issues affecting our military veterans. These are serious issues affecting vulnerable Arizonans.

*Why Was the Libertarian Not Permitted in the October Debate?

...continued from page 1

There are **3,475 active Libertarian voters in District 1**, yet only **8% voted in the primaries**. Libertarians assumed that because there’s only 1 Libertarian candidate, the nomination is already secured and their vote isn’t necessary.

WRONG! Because the number of votes the Libertarian candidate receives in the Primary determines whether or not the Libertarian candidate can participate in the October Clean Elections Debate.

Under the **2024 Clean Elections debate rules**, a candidate must receive at least **1% of the total primary ballots cast for that office** to be invited to the general-election debate. That’s not 1% of the total ballots in the Libertarian Primary—that’s 1% total of all PRIMARY votes of *all parties combined*.

Primary Vote & Debate Threshold	
◆	Total primary votes cast in District 1: 161,584
◆	1% required for debate eligibility: 1,616 votes
◆	Libertarian votes received: 287
◆	Votes short of the threshold: 1,329

That means Arizona voters won’t have a Libertarian voice in the Debate once again, to be the guardrail to challenge the major-party candidates. Especially now, when there is so much discontent about Israel, the wars and the economy. We would’ve had a huge opportunity to publicly challenge them in the debate. Wasted opportunity! **Please spread the word: ALWAYS VOTE IN THE PRIMARY so a Libertarian can qualify to be in the debates!** 👍 Thank you for your support and voting Libertarian in the General Election!
