

MIA – NWR Show, March 9th, 2024

Host Contact:

Cindy Morris, Assistant Band Director, Northwest Rankin High School

662-242-5669

cin202@rcsd.ms

1. Unit Arrival Parking

Entering from Vine Drive, do not turn in at the intersection. There is a separate driveway that goes into the back of campus that we would like all units to enter in. If you are coming down Vine Dr. from Lakeland, it will be on the left, past the intersection. If you are coming down Vine Dr. from HWY 471, it will be on your right before the intersection.

2. Unit Warm-Up

Indoor body and equipment warm ups are notated on the Flow map. To enter the school building, walk toward the noted unit exit. Across from the gym doors where your unit will exit, there will be an open double gate. This is where you will enter the courtyard, then continue on to the doors of the main building. The main gates to the courtyard have a divider and most props and floors will not fit through that entrance, so please go around. Prop storage will be available in our commons area near the unit entrance and equipment warmup.

3. Timeline

Vertical timeline. Enter back side 1, exit back side 2. You will be exiting outside near the unit parking lot.

4. Dressing Rooms

No dressing rooms provided.

5. Spectator Parking/Entrance

All spectators will park in spectator parking 1. Spectator parking 2 will be used for overflow. Spectators will enter the building using the entrance across from spectator parking 2.

6. Spectator Admission

Admission is \$10. Can be bought at the door.

7. Concessions

Concessions will be available all day.
