Permission to Transport

Child's Name: _____

I give permission for my child to be transported in a motor vehicle driven for activities held by The Marshall School. I understand that my child is expected to follow all applicable laws regarding riding in a motor vehicle and is expected to follow the directions provided by the driver and/or other adult volunteers.

I have read, understand, and discussed with my child that:

1. They will be traveling in a motor vehicle driven by an adult and they are to wear their safety-belt while traveling;
2. They are expected to respect each other, vehicles that they ride in, and people that they travel with during the trip;
3. Riding in a motor vehicle may result in personal injuries or death from wrecks, collisions or acts by riders, other drivers, or objects; and
4. They are to remain in their seats and not be disruptive to the driver of the vehicle.

I recognize that by participating in this activity, as with any activity involving motor vehicle transportation, my child may risk personal injury or permanent loss. I hereby attest and verify that I have been advised of the potential risks, that I have full knowledge of the risks involved in this activity, and that I assume any expenses that may be incurred in the event of an accident, illness, or other incapacity, regardless of whether I have authorized such expenses.

As a condition for the transportation received, I, for myself, my child, my executors and assigns, further agree to release and forever discharge The Marshall School and their agents, officers, employees and volunteers from any claim that I might have myself or that I could bring on my child's behalf with regard to any damages, demands or actions whatsoever, in any manner arising out of this transportation. I have read this entire waiver and permission form, fully understand it, and agree to be legally bound by its terms.

Volunteer drivers will complete a Driver Information Form certifying that the approved driver for TMS must be at least 21 years of age, possess a valid, unrestricted driver's license, and have proper vehicle registration and a current safety inspection, as well as the proper insurance coverage in effect on any vehicle used for transporting TMS students. Drivers will further certify that while transporting TMS students that they will be the only drivers to operate the vehicle, that they will not consume any substance that may impair driving ability and that they will comply with all applicable traffic laws.
