

BUTTS COUNTY HISTORICAL SOCIETY DONATION OF OBJECTS AGREEMENT

SHORT FORM

The Butts County Historical Society welcomes the donation of objects that will complement and fulfill our current collections. As outlined in the long form of the **Butts County Historical Society Donation of Objects Agreement** document, the Society follows a policy of selective acquisition consistent with the Society's mission relating to the history of Butts County, Georgia, and its people. Upon acceptance of donated objects, the Society agrees to provide proper care and storage for such objects, as reasonable within the limitations of the Society's resources.

Completion of this Short Form by on behalf of the donor confirms that the donor has received a copy of the long form agreement, has read it, and is in agreement with the provisions set forth. Further, the donor acknowledges that the donor may be contacted for further information concerning the donation as set forth in the **Donor Questionnaire** attached to the long form Agreement. The donor further states that the donated items have a clear title and are free of any copyright or other restrictions, except as stated below.
