## **Opportunity for public comment**

### **Chalumbin Wind Farm, near Ravenshoe, Qld (EPBC 2021/8983)**

#### **Draft guidelines for the preparation of a draft Public Environment Report**

Interested members of the public are invited to comment on the draft guidelines for the preparation of a draft Public Environment Report for the Chalumbin Wind Farm proposed action to develop a wind farm within the Tablelands Regional Council Local Government Area approximately 15 km southwest of Ravenshoe in far north Queensland with a generation capacity of approximately 665 MW of power, for the purposes of the *Environment Protection and Biodiversity Conservation Act 1999* (the EPBC Act).

Submissions should be limited to the scope and presentation of the public environment report to be prepared, rather than the merits of the proposed action.

Submissions must be received at the following e-mail or postal addresses, referencing the project number EPBC 2021/8983, no later than 2<sup>nd</sup> November 2021.
