Member of NSAC

Experience a confidence building workshop that will guide you through the process of offering evidence of survival and help you to improve the quality and detail of the information brought through from spirit.

This workshop includes:

- Preparation/Intent/Purpose
- Bringing forth the most impactful information from Spirit
- Staying in the power
- Recognizing potential challenges and how to address them
- Moving beyond plateaus in your mediumship

All presentations are made for comparative, informational and educational purposes and may not reflect the teachings of the National Spiritualist Association of Churches and this church
