

Starview Heights Pool Rules and Schedule (beginning June 30, 2025):

All guests visiting our pool must be accompanied by their Starview Heights homeowner/resident host at all times.

The maximum number of people allowed in the pool at one time is thirteen (13) per our Insurance company and Buncombe County requirements.

Monday - Thursday (4:30 - 6:30 p.m.) is reserved for Starview Owners/Residents of the household. *Exceptions to this reserved time include: Memorial Day, 4th of July, and Labor Day.

This will allow Owner/Residents to enjoy the pool without other visitors. We feel that 8 hours a week is a reasonable time period considering that the preponderance of the time the pool is open (dawn - dusk) still allows Owners (with their visitors) to take advantage of our pool.

It is always required that any person under 18 years (regardless of residency) **MUST BE ACCOMPANIED BY AN ADULT when at the pool. This is #1. for the safety of the minors and #2. to protect our liability.**

No extra-large inflatables (large tubes/rafts) are allowed in the pool.

Buncombe County rules are posted on the fence and by the door to the pool area. We will be posting the above rules as well.

Pool rules are posted and as always, they are self-policing but we urge everyone to abide by the rules for everyone's enjoyment and safety.

If you witness any violations to the pool rules and are not comfortable addressing the issue on the spot, we encourage you to contact a Board Member.

We are committed to this new schedule but are open to revisit the subject if needed, at a later date.

Thank you,

Starview Heights Board
