

CALIFORNIA UNIVERSITY PREP SCHOOL

SPRING NEWSLETTER

2021

*A Message from our
Executive Director,...*

We have lots of exciting news to report! We are preparing the campus for returning to in-person classes! In September, we will welcome all students and staff back on campus. Our teachers and staff have worked many extra hours this year and we appreciate all of their dedication.

Spring is a very exciting time on our campus! Graduation is around the corner and our Seniors are receiving their "Letters of Acceptance" from schools around the country. Every year, our students are accepted to many of the best universities in the United States. We are very proud of all of YOU!

Many Thanks
to our
Zooming
Teachers & Students
In-person Classes
Return
9/2021

Safety is our number one
concern and we continue
to have
ZERO
Staff/Student
Covid Cases!
Many thanks to everyone
for keeping us all safe!

**Our 2021 Seniors have been accepted
into the following schools:**

U.C. Irvine
U.C. Davis
U.C. San Diego
U.C. Merced
U.C. Santa Barbara
U.C. Santa Cruz
UC Riverside
CSU San Bernardino
CSU Fullerton
CSULA
CSU Chico
CSU Northridge
Columbia College- Chicago
Cal Poly Pomona
Whittier College
Penn State
San Francisco State
Seattle Pacific University
University of San Francisco
University of La Verne

Chemical Equilibrium

What is it? Just ask Mr. Samson's Chemistry students! They even created learning tools to help other students understand what it is.

Student Council News

Our CUPS Student Council has been virtually active this year! One activity that required our students to "get out into the community" involved painting positive messages on "Kindness Rocks" and placing them around their neighborhoods. They also made thank you cards for local doctors and hospitals!

What does U.S. History have to do with Ms. Lindsay's Family Tree?

Ms. Lindsay's family tree includes two passengers on the Mayflower Ship. Her great, great, great, great, great, great, great, great, great, great grandparents were John Alden and Priscilla Mullins. John and Priscilla showed great courage to leave England and board the Mayflower Ship for the New World. Our U.S. History Class studied the Mayflower voyage and were amazed by the challenges of that journey.

21st Century Skills

During Senior Portfolio class, our Seniors have had extensive training in Conflict Resolution, Problem Solving Skills, Collaboration, Communication Skills and Goal Setting. Many international students who go directly to American Universities lack these skill areas. **NOT OUR STUDENTS!** Our students are ready to attend and succeed at American Universities! During their time at Cal U Prep, our students receive direct instruction about specific skills they will need to be successful at their university and for life.

**Many thanks to our
CUPS Seniors
for supporting a local
Cat Shelter**

Secret Ingredients?

Yes!

Just like the secret ingredients that your Grandmother might use in a beautiful cake, our school has collected over 20 years of "ingredients" that we know help students to prepare for achieving success in high school, at their university and in life. Our school's "intellectual property" includes all of our teaching methods, our curriculum, teaching materials, and best practices. Our students improve their English and take their required a-g courses. Every decision that is made is based on what is best for our students. All of these ingredients have created a school where students love to learn and grow.
