

BAGNARA EVENT OVERLAY SERVICES (BEOS)

Planning

Delivery

Certainty

About Us

With thirty years expertise in end-to-end overlay planning and delivery, BEOS is your trusted partner for local and international major sports and cultural events. From strategic reviews to hands-on delivery, we offer tailored support across every phase of event overlay design, planning, procurement and project management.

Our approach blends creative vision with practical problem-solving, realising reduced risk and cost, continuous improvement, and an enriched experience for patrons and participants alike. BEOS applies industry-standard systems and practices to ensure measured and optimal solutions for tight budgets, and delivery certainty for immovable deadlines.

Portfolio Highlights

Our proven track record includes services for world class events and event organisations such as, Australian, Singapore, and Miami Formula 1® Grands Prix, Victorian Major Events Company, Melbourne Commonwealth Games and the GT City Grand Prix, Kuala Lumpur.
