Look Good, Feel Good" Mental Health Education Symposium & "Dress for Inner Success" Fashion Show Competition

Dates: October 19-20, 2024

Location: TBA

Expected Attendance: 350

****Event Overview****

As part of The House of eMaGi's commitment to empowering individuals, we are organizing the "Dress for Inner Success" Fashion Show Competition and "Look Good, Feel Good" Mental Health Education Symposium in Austin. This unique and impactful event combines fashion, important mental health education, student talent, and supporting small businesses. It is a celebration of creativity, community, and advocacy for mental health awareness; and will allow families to enjoy themselves together, making it a fun and inclusive event for all. In addition, small business vendors and local organizations will have an opportunity to showcase their products and services.

Through this initiative, we hope to empower individuals to embrace their unique selves and to encourage positive conversations about mental health in the community. Our mission is to raise awareness, fight against the stigma surrounding mental health challenges, and help those who are struggling with their condition in a fun and engaging way!

"Dress for Inner Success" Fashion Show Competition (October 20, 2024, 5:00 PM – 9:30 PM)

This event will also showcase the creative designs of talented student protégés and emerging local Fashion Designers. The theme of the competition will be "Look Good, Feel Good", with a focus on using fashion as a tool to support individuals struggling with mental health issues. We believe that fashion has the power to promote a positive mental health message of "look good on the outside, feel good on the inside!" In line with this theme, we are challenging Designers to defy societal standards in today's fashion and create collections that celebrate #BodyPositivity, #BodyAppreciation, and #BodyDiversity; and cater to all body types for women, men, or both. Our goal is to provide an event that will highlight clothing that is aesthetically pleasing, will make the wearer feel confident and empowered, and encourage self-love and acceptance.

Competition Details:

We request that designers select a single piece from their collection to be produced in one of the designated colors that symbolize various facets of mental well-being to be featured in a unique event photoshoot promoting mental health awareness:

- **Black**: symbolizes authority, confidence, and resilience
- **Blue**: Symbolizes feelings of calm, serenity, and tranquility
- **Green**: Symbolizes balance, growth, and harmony
- **Pink**: Symbolizes compassion, empowerment, and support
- **Purple**: Symbolizes advocacy, independence, and individuality

- **Red:** Symbolizes energy, passion, and power
- **Yellow:** Symbolizes hope, optimism, and positivity

Each Designer's "color piece" will be scored using a 10-pt scale by a panel of three (3) industry professionals and majority vote from the audience based on six categories:

- **Adherence to the "Look Good, Feel Good" Theme**
- **Aesthetic Appeal**
- **Craftsmanship**
- **Creativity**
- **Functionality**
- **Originality**

Our goal is to select models representing the following 14 body types to create a more inclusive and positive environment where all bodies are represented and celebrated:

Women

Men

Look Good, Feel Good MHE Symposium (October 20, 2024, 3:00 PM – 6:30 PM)

The mental health education symposium will allow attendees to learn about valuable insights and receive a strong message of self-love and acceptance. It will include a comprehensive and interactive learning experience for participants consisting of a combination of moderator-led panel discussions, keynote speeches, artistic expression performance art, and art therapy group activities promoting positive self-image, inner confidence, and self-actualization within wellness.

This symposium will serve as an educational forum featuring a diverse group of mental health professionals, individuals suffering from mental disorders, as well as their loved ones, discussing various facets of mental health and sharing their perspectives. Panelists will focus on Beauty & Personal Appearance, Weight & Body Image, Marriage, Divorce & Relationships Issues, Men's Mental Health & Disenfranchisement, LGBTQIA Challenges, and Sickness & Death Trauma. Discussions will cover a wide range of topics including:

- Identifying Root Causes and Factors
- Importance of Mental Wellness
- Coping Mechanisms

- Tips for Providing Support to Loved Ones Suffering
- Resources, Technology, and Treatments

The program will also be a showcase for performance artists such as poets, singers, musicians, and dancers to use their creative talents of artistic expression to shine a light on the importance of mental health and inspire attendees on the significance of prioritizing mental well-being and embracing oneself fully. Poets will use spoken word to share personal experiences and struggles with self-love, while singers will use their soulful voices to convey messages of strength and resilience. Musicians will use their instruments to create melodies that evoke emotions of self-acceptance, while dancers will use movements to express the journey towards self-love.

Additionally, by incorporating artistic expression into the mental health education symposium, attendees will be able to explore and embrace their emotions while learning about the importance of self-love and acceptance in maintaining good mental health. Attendees will be encouraged to participate in expressive art and vocal therapy art group activities, where they can:

- Use tennis balls dipped in paint and thrown at canvases to release emotions and create unique visual art. This physical form of art therapy can provide a cathartic release for emotions and promote self-expression.
- Express their emotions vocally and record them, creating unique audio art. This form of therapy can provide a creative outlet for individuals to experience the power of artistic expression and promote healing.

Through this collaboration, we aim to create an inclusive and engaging environment that facilitates learning, discussion, and awareness about mental health challenges in our communities. It will not only raise awareness but also provide resources for those who may be struggling to maintain and improve their own mental well-being.

****Marketing Plan****

Objective:

To promote the event and sponsor involvement effectively across multiple channels to maximize visibility, attendance, and engagement. By leveraging the following diverse marketing channels and strategies, we strive to enhance the magnitude and success of the "Look Good, Feel Good" Mental Health Education Symposium and "Dress for Inner Success" Fashion Show Competition, ensuring strong attendance and meaningful engagement with our sponsors.

Social Media Marketing

Platforms:

- Facebook
- Instagram
- LinkedIn
- EventBrite

Strategies:

- Event Pages: Dedicated event pages created on Facebook, and EventBrite with all event details, updates, and engagement activities.
- Regular Posts: Daily and weekly posts are scheduled, leading up to the event, and highlighting different aspects to include speaker announcements, fashion show participants, and sponsor spotlights.
- Hashtags: Usage of event-specific hashtags (#LookGoodFeelGood, #DressforInnerSuccess, #FashionWithAPurpose, #EndTheStigma) are included with regular posts to increase visibility and encourage attendee participation.
- Stories and Reels: Behind-the-scenes content, sponsor highlights, and quick interviews with key participants are shared on Instagram Stories and Reels.
- Paid Ads: Targeted ads on Facebook and Instagram will be ran to reach a broader audience within the Greater Austin area.
- Sponsor Shout-outs: Event sponsors are regularly featured in posts, thanking them for their support and highlighting their contributions.

Email Marketing

Strategies:

- Email List: We will utilize existing email list(s) and gather new subscribers through the event website and registration pages.
- Newsletters: We plan to send bi-weekly newsletters to event subscribers with event updates, speaker highlights, fashion show previews, and sponsor spotlights.
- Sponsor Features: Newsletters will include dedicated sections to highlight sponsors, their products/services, and special offers or messages from them.
- Reminder Emails: Reminder emails will be sent closer to the event date to encourage attendance and last-minute registrations.

Press Releases

Distribution Channels:

- Local newspapers (*Community Impact Newspaper*)
- Online news platforms (*KVUE, KXAN, soulciti*)
- Industry-specific publications (*Austin Fit Magazine, Austin Woman Magazine, Tribeza Magazine*)

Strategies:

- Initial Announcement: An official press release has been released announcing the event, including an event overview and details about the agenda, fashion show, and initial sponsors (*Integral Care, Whatsinthemirror?, Enteeve Counseling, Austin ISD, Brown Security Group LLC, Luxe Loft Model Agency, D2 Auto Detail, High Five Entertainment, SK Texas Notary*).
- Sponsor Highlights: We will send follow-up press releases focusing on major sponsors and their involvement, including any special activities or promotions they are running in conjunction with the event.

- Event Coverage: We are coordinating with local media outlets (*Community Impact*, *WhereYallAtThough?!*, *B.Eclectic Magazine*) and photographers for event coverage, including interviews with key speakers, fashion show highlights, and sponsor mentions.

Other Promotional Activities

Community Partnerships:

- Local Businesses: We are partnering with local businesses (*You ARE Magic Media*, *Style Shift Image*) to display event posters and distribute flyers.
