MANASOTA BRANCH

Dear Supporter,

On behalf of the Manasota Scholarship Program and the Association for the Study of African American Life and History (ASALH), we are proud to announce our Inaugural Black History Month Luncheon—a celebration rooted in the theme: “*An Unusual Emphasis on Scholarship: Carter G. Woodson, Omega Psi Phi, and the Power of Black History.*”

Scheduled for Friday, February 6, 2026, this inspiring luncheon will serve as a fundraising event to benefit the Manasota ASALH Scholarship Program, which has proudly awarded over \$700,000 in scholarships to more than 330 students in Manatee and Sarasota Counties over the past 23 years. These scholarships provide life-changing educational opportunities for our community's most promising young scholars.

We are especially honored to welcome our featured speaker, Dr. Maurice Hobson—renowned Professor of Africana Studies and Historian at Georgia State University, award winning author, and film consultant on several documentaries and television series, including projects on the Peacock television network.

Dr. Hobson is also the Lead Historian for the newly published official history book of Omega Psi Phi Fraternity, Incorporated, and his work shines a powerful light on the stories that shape our collective memory and future. He will be joined in a conversation with Dr. Jim Stewart, Economist, Professor Emeritus at Penn State University, and distinguished historian, as they engage in thoughtful dialogue on the impact of our beloved founder, Carter G. Woodson.

This luncheon is more than a gathering—it's a call to action. A call to honor our heritage, uplift our history, and invest in the hope of tomorrow's leaders. Your sponsorship will directly support scholarship funding and allow us to continue changing lives through education.

We invite you to become a sponsor for this historic event. Sponsorship levels include visibility at the luncheon, promotional recognition, and the opportunity to publicly align your brand with a mission of equity, education, and community impact.

Enclosed you will find a sponsorship packet detailing the available levels and associated benefits. Should you have any questions or wish to confirm your sponsorship, please contact us at info@asalh-manasotafl.org

Thank you for your continued support of educational excellence and for helping us preserve and promote Black history through action.

With Much Appreciation,

Jada Wright-Greene
