Distribution Partners (“partner”) agree to the following program guidelines:

- Meal bags will be provided to anyone with a food need. Discrimination of any sort will not be tolerated. Individuals and families presenting to a partner with an indicated food need will be served with no barriers and no requirements of participating in other programs.
- All meal bags provided will include all necessary ingredients according to the recipe card. No meal bag should ever be provided with missing ingredients as that negates the purpose of the project.
- Funding for meal bags will not be provided by The Seal Project. Partners can pursue any open lines of funding including grants and donations. The Seal Project will provide any information needed to assist in securing these lines of funding. Any grants or awards should be reported to The Seal Project so that it can be shared and celebrated.
- Partners are encouraged to share about The Seal Project, but any other organization wishing to become a partner should be directed to contact The Seal Project directly.
- This agreement remains in effect until a partner or The Seal Project gives 30 days notice to end distribution relationship.
- This agreement can be amended as The Seal Project grows and changes. Please be patient and kind with everyone involved. We are humans serving humans.

The Seal Project agrees to:

- Provide updated recipe cards as available.
- Maintain an updated website including all current Distribution Partners.
- Provide assistance to partners wherever possible.
- This agreement can be amended as The Seal Project grows and changes. Please be patient and kind with everyone involved. We are humans serving humans.
