

Dear Community Partner,

It's finally time to celebrate the end of the tumultuous 2020 and welcome in, what we hope to be, a much better year for our communities! As the days on the calendar are ticking by, we are drawing closer to the date that we celebrate the ending of one year and welcome the beginning of the next with a beautiful display in the sky. In order to really show our communities how much we appreciate them and to wow them with the send-off that this year deserves, your commitment and support are needed.

The show has a minimum commitment of \$26,100 for New Year's Eve, which I believe we can reach if we work together. This will provide a 20-minute show with larger shells that will shoot higher so that the members of our community will be able to see clearly as they practice social distancing.

As always, your sponsorship will include social media announcements and a print ad in the local paper. I am also negotiating additional perks with print ads in additional local publications and radio advertisements. The true payment for your contribution will come in the hundreds of "wows" and squeals of delight from those who will enjoy the show. I know that we all hope for something tangible when sponsoring ... I am a small business owner myself ... but I think we all are all eager to celebrate our making it through 2020 with our businesses, employees and blessings intact. I know I am thankful for this each and every day.

Whether you wish to advertise the commitment to our community from your business, a Memorial sponsorship for a loved one or a Thank You to our medical heroes of 2020, we will accommodate any wish you have in your sponsorship.

Please reply as soon as possible with your pledged amount. In order to ensure the booking of the show, all funds are requested by **December 15, 2020.**

Whether you have participated in the fireworks program in the past or are a new supporter of this show, please accept our sincerest appreciation. Thank you for being such a wonderful community partner and allowing the entire Miss-Lou to come together for this wonderful event. Please let me know if you have any questions or suggestions.

Sincerely,

Sabrina Doré
