

Collins & Huff UPHOLSTERY

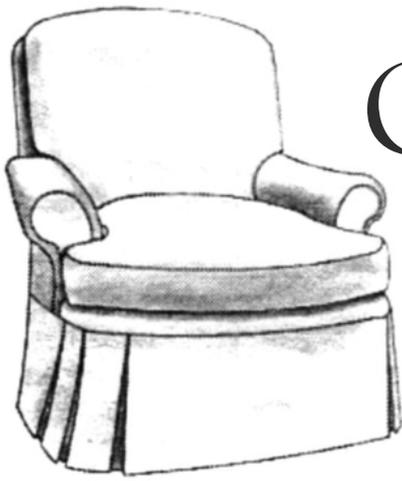

PRODUCT CATALOG YEAR 2026

Home Interior Inspiration

The Collins & Huff Upholstery Collection — a line of handcrafted seating built by legacy artisans in North Carolina. Each piece is bench-made, never mass-produced, and designed for a lifetime of comfort and beauty. The craftsmanship is exacting, the customization endless, and the service streamlined for the trade.

CONSTRUCTION HIGHLIGHTS

FRAMES: BUILT FROM KILN-DRIED HARD MAPLE (SUPERIOR TO POPLAR OR OAK, WHICH OFTEN WARP).

JOINERY: DOUBLE-DOWELLED WITH CORNER BLOCKS AND FOUR-SCREW REINFORCEMENT.

SPRING SYSTEM: FOUR ROWS OF COIL SPRINGS, EACH TIED EIGHT WAYS BY HAND, CRAFTED FROM DIFFERENT GAUGES OF STEEL FOR COMFORT AND DURABILITY.

BACK CONSTRUCTION: A BLEND OF SPRINGS AND WEBBING FOR ADDED SUPPORT (INSTEAD OF WEBBING ALONE).

CUSHIONS: STANDARD BACK CUSHIONS ARE 10/90 DOWN ENCASED IN DOWN-PROOF TICKING; EACH CHANNEL PREVENTS SHIFTING.

TAILORING: PATTERNS ARE CAREFULLY MATCHED AND FITTED BY HAND, ENSURING SYMMETRY AND PRECISION.

THESE DETAILS ARE RARELY SEEN IN PRODUCTION FURNITURE. THEY'RE WHAT MAKE COLLINS & HUFF UPHOLSTERY HEIRLOOM QUALITY.

CRAFTED FOR THE TRADE. BUILT FOR A LIFETIME.

Every piece is bench-made in North Carolina with legacy techniques and modern comfort.

Why Designers Choose Us

- Trade pricing honored across the line
- Custom made easy (COM, size edits, trims, cushion fills)
- Concierge service: one point of contact from quote to white-glove delivery

Quick Steps

- Select the frame + note any size adjustments.
- Choose details: cushion fill, skirt/leg style, welt/trim, nailhead, finishes.
- Provide COM info (fabric name, width, repeat, and estimated yardage).*
- Approve quote + (if needed) CAD prior to production.
- Production begins after payment; we'll provide timeline updates through delivery.
- *Final yardage confirmed upon review of fabric specs and pattern repeat.

Lead Time & Delivery

- Standard: 8 weeks | Custom/COM: 10–12 weeks
- White-glove delivery available nationwide
