

Table of Contents

Introduction & Administration.....	6
Purpose	6
Scope & Applicability	6
Governing Principle.....	6
Roles & Responsibilities	6
Accreditation Alignment	7
1.0 Fire Safety.....	7
1.1 Fire Prevention	8
1.2 Detection, Alarm & Suppression Equipment	8
1.3 Evacuation	8
1.4 Fire Drills.....	9
1.5 Fire Safety in Homes & Community Settings	9
1.6 Evidence of Compliance & Inspection by the Fire Authority	9
2.0 Safety & Security Across Service Settings	10
2.1 Clinic-Based Safety & Security.....	10
2.2 Safety of Personnel in Client Homes.....	10
2.3 Safety of Personnel in Community Settings.....	11
2.4 Telehealth Safety	11
2.5 Workplace Violence & Personal Security	12
3.0 Environmental Controls & Hazard Management.....	12
3.1 The Clinic Environment	12
3.2 Toys, Materials & Choking Hazards	12
3.3 Hazards in the Home	12
3.4 Hazards in the Community	13
3.5 The Sensory & Behavioral Environment.....	13
4.0 Life-Threatening Emergencies & First Aid	13
4.1 General Emergency Response	13
4.2 Specific Medical Emergencies	14
4.3 First Aid & Supplies	14
4.4 Behavioral Crises & Safety Procedures.....	15
4.5 Emergency & Medical Information.....	15
5.0 Disaster Plan & Continuity of Care	15
5.1 An All-Hazards Framework	15
5.2 Command and Lines of Succession.....	16
5.3 Communication During a Crisis	16
5.4 Continuation of Care When Services Are Disrupted.....	16
5.5 Records, Data & Operational Continuity.....	17
5.6 Review After an Event	17

6.0 Emergency Preparedness & Field-Clinician Safety	17
6.1 A Culture of Caution in the Field	17
6.2 Understanding the Alerts	18
6.3 Personal Preparedness Before the Season	18
6.4 As a Storm Approaches	18
6.5 During the Storm	18
6.6 Driving, Flooding & Road Hazards.....	19
6.7 After the Storm: A Careful Return to the Field	19
6.8 Tornadoes & Severe Thunderstorms	20
6.9 Extreme Heat	20
6.10 Supplies for the Facility and the Field.....	20
7.0 Hazardous Materials, Chemicals & Waste	21
7.1 Hazard Communication.....	21
7.2 Storage, Handling, and Use of Chemicals	21
7.3 General and Regulated Waste.....	21
7.4 Management of Bodily-Fluid Spills	21
7.5 Personal Protective Equipment.....	22
8.0 Infection Control & Bloodborne Pathogens.....	22
8.1 Standard Precautions & Hand Hygiene	22
8.2 Screening for Infectious Diseases.....	22
8.3 Working Safely with Individuals Who Have Infectious Diseases.....	23
8.4 Bloodborne Pathogens Exposure-Control Plan	23
8.5 Response to an Exposure Incident.....	23
8.6 Outbreaks & Reportable Diseases	24
9.0 Incident, Injury & Near-Miss Reporting and Investigation	24
9.1 What Must Be Reported	24
9.2 How and When to Report	24
9.3 Investigation & Root-Cause Analysis	25
9.4 OSHA Recordkeeping	25
9.5 Annual Safety Data Review.....	25
10.0 Safety Training & Communication.....	26
10.1 New-Employee Safety Orientation.....	26
10.2 Continuing & Refresher Training.....	27
10.3 Communicating Safety Rules & Updates	27
10.4 Water-Safety and Elopement Training	27
11.0 Recordkeeping, Posting & Compliance	28
11.1 Records Maintained.....	28
11.2 Posting Requirements	28
11.3 Confidentiality	28
11.4 Review & Accountability	29

11.5 Annual Risk Assessment	29
12.0 Water Safety & Drowning Prevention	29
12.1 The Risk of Drowning	29
12.2 Identifying Water Hazards at Intake and in the Home	30
12.3 Layers of Protection.....	30
12.4 Supervision During Sessions	31
12.5 Community Outings Near Water	31
12.6 Aquatic and Swimming Activities.....	31
12.7 Drowning Emergency Response.....	32
12.8 Water-Safety Education for Families	32
13.0 Elopement Prevention & Wandering Response.....	32
13.1 Understanding Elopement	33
13.2 Risk Assessment and the Individual Elopement Plan.....	33
13.3 Environmental Controls by Setting	33
13.4 Teaching Safety Skills	33
13.5 Identification and Locating Supports.....	34
13.6 Immediate Response to a Wandering Event.....	34
13.7 After an Event.....	34
13.8 Coordination with First Responders and the Community	35
14.0 Safety Program Administration	35
14.1 The Safety Officer and Safety Committee.....	35
14.2 Procedural Integrity of Safety Protocols.....	35
14.3 Safety Complaints and Grievances	36
14.4 Document Control and Handbook Maintenance	36
Appendices: Forms, Plans & Resources	37
Appendix A: Incident, Injury & Near-Miss Report.....	37
Appendix B: Environmental Safety Review (Home / Community)	37
Appendix C: New-Employee Safety Orientation Checklist	38
Appendix D: Bodily-Fluid Spill: Quick Steps.....	38
Appendix E: Office Fire-Exit & Evacuation Plan	39
Appendix F: Florida DOH & County Emergency-Preparedness Resources	40
Appendix G: Flood Zones & Evacuation Zones.....	41
Appendix H: Emergency Contact List (Template).....	43
Appendix I: Annual Safety Training Record.....	43
Appendix J: Water-Safety Review (Home / Community).....	44
Appendix K: Elopement Risk Assessment & Response Plan (Template).....	44
Appendix L: Elopement / Missing-Person Quick Steps	45
Appendix M: Crisis Communication Templates	45
Appendix N: Annual Health & Safety Risk Assessment Worksheet	47
Appendix O: Water Watcher Designation Card.....	48

Appendix P: Hurricane Season Readiness Checklist.....	48
Appendix Q: Monthly Clinic Safety Self-Inspection Checklist	49
Acknowledgment of Receipt.....	50
