Re: HD Summerhill, LLC
377 Summerhill Road, East Brunswick, NJ
Block 243, Lot 6.04
Application # Z-18-08

Dear Ms. Rainwater:

As you know, this firm represents the Applicant, HD Summerhill, LLC ("HD") in furtherance of the above matter. Subsequent to the Zoning Board of Adjustment hearing held on July 16, 2018, HD has had the opportunity to further review and assess the questions and comments both from members of the board and the public with regard to the proposed development at the subject property. In light of same, HD believes it is in their best interest to review and revise the site plan to address the comments and concerns raised at the July 16, 2018 hearing. Therefore, HD requests that the August 7, 2018 meeting be adjourned and continued until another future hearing date can be scheduled. HD recognizes that it would have to re-notice this application before the Zoning Board of Adjustment once a new hearing date is confirmed.

By copy of this letter, I am notifying Alexander Fischer as to the continuance of this application. I would request however, that you please share this letter with the members of the Zoning Board. Thank you for your attention to this matter.

Very truly yours,

David B. Himelman
