

# Donations and Sponsorship Opportunities

The Bothell Lacrosse Club offers opportunities to companies and individuals who can generously provide donations to support the Bothell lacrosse program. Sponsorship can provide your organization with valuable exposure and brand recognition across the Bothell Lacrosse community. We also accept donations and will provide the necessary tax documentation for you.

As a non-profit organization, we strive to ensure that participation in the great sport of lacrosse is available to all players from kindergarten through high school regardless of economic circumstances. As a result of the donations from generous sponsors, we continue to drive down the cost of participation as well as provide financial scholarships to those in need.
