POTENTATE'S MESSAGE

Nobles,

By the time you are reading this, I will be in Reno for the Imperial Session, but I wanted to share my observations over the last several months. I have had the pleasure of observing two really good Shriners. I will even go so far as to say they are great Shriners. They show up to almost every event. You can tell when you see them coming that they are happy to be there; they are smiling, handing out high fives, talking to everyone they see, encouraging the guys on the jeeps and oriental band. If they could participate in everything that Sharon Temple has to offer, they would do so without hesitation. They are rapidly becoming my role models and, I hope, the role models of every other Shriner.

Did I mention that they are not actually card-carrying Shriners yet? Likely, I also did not mention that one of them is seven years old and the other, I think, is eleven. Their names are Carson Byrd and Cullen Vaughn, and they are truly members of the Sharon Shrine family and the sons of two of our Shriners.

I have long heard that Shriners are kids that did not grow up, and my dearest hope is that Carson and Cullen maintain their youthful enthusiasm and desire to be members of our family when they age and become Masons and Shriners.

I challenge every one of you to find your inner Carson and Cullen. While they are mere youths, they are everything a true Shriner should be. Remember to every once in a while be the kid that didn't grow up; remember to go out and have fun and participate in everything possible that Sharon Shrine has to offer. Carson and Cullen should be your role models as well as mine, and likewise, remember that we are just big kids trying to help other kids in need.

We have the Shrine Olympics coming up in August, which is a chance for you to find your inner Carson and Cullen and just be Shriners being Shriners. Come out, plan your Olympic games, show your Shriner spirit, and let your inner kid come out for some fun and fellowship. I think that if you stop worrying about the trials of adulthood for just a little while, you may remember just how much fun life can still be.

Lady Mickie and I wish each and all a Happy 4th of July, and look forward to seeing you all become kids again, not just at the Shrine Olympics but for the remainder of the Shrine year.

The next stated meeting of Sharon Shriners will be held on Monday, Aug 19th dinner at 6:00 pm, meeting at 7:00 pm. The purpose of this meeting is to ballot on petitions and act on other business that may come before it.

CONSTRUCTION UPDATES:

The standing seam roof work began on 5/8/24. The cement board and lap siding on the north elevation of the parent house is completed. The south elevation is being worked on. A step-up transformer needs to be installed to power up the HVAC equipment and elevators in the parent house. A step-up transformer will also be installed in the parking garage for the elevators, storage room HVAC and fire pump. The bathrooms on the first floor are tiled. The Kanemail for the parking garage exterior arrived on site on 5/9/24. A pre-installation meeting was held that afternoon. The courtyard concrete will be poured on 5/10/24. Substantial completion of the project is now scheduled for 9/2/24.

NEWS FROM THE OFFICE OF PHILANTHROPY:

Giles Crane was in high school when he joined the Caldwell Chapter Bagpipe Band in Caldwell, New Jersey. The group had the opportunity of a lifetime when they were flown to San Francisco to participate in the East-West Shrine Bowl in January of 1960, and it's an experience that he will never forget. That experience gave him a lifetime love of playing the bagpipes and performing for others. Mr. Crane recently visited Shriners Children's Texas and made a generous donation in a way of saying thank you to the organization who gave him that opportunity more than 64 years ago.

PATIENT OF THE MONTH:

Patient of the Month – June 2024 is Milka Alejandra Gonzalez Vega. She is an 18 year old female presently under the care of our team. She has been receiving care through the Ortho service line. Milka's care began back in 2007 at the Shreveport Hospital. She has been molded for a new prosthesis for her left lower extremity and she has been completing rehab to work on strengthening her left leg and gait training with her new prosthesis. Staff describes Milka as a superstar and she is a testament to what we do here at Shriners Hospitals. Milka's dream is to attend medical school in the future.

If you have circus ads or payments, please send them to the office ASAP! The deadline is July 12th for ALL ads to be turned in and July 19th for payment to be submitted in order to be in the program!

Enjoy road trips?

Like helping families?

Looking for ways to be more involved in the shrine?

You've come to the right place because we need your help!

The transportation crew are looking to recruit more drivers. This involves filling out a drivers certification (which can be obtained through the office), and providing a doctor's note if you are 70 years or older.

Trips are typically to Shreveport and occasionally Galveston. If you are interested, please contact us so we can get you the paper work to fill out which we will then send to our transportation coordinator Noble George Pruet. Come join the team and spend some time with our wonderful Shriner's patients and families!
